ORDER

This Order confirms that the hearing in connection with Defendant's Violation of Supervised Release ("VOSR") that had been scheduled to proceed in Magistrate's Court on April 1, 2020, will not go forward. Counsel are directed to confer and to file a status report by April 15, 2020, as to whether the parties intend to request that a hearing or a conference in connection with the VOSR be held. If the parties intend to request a hearing, the status report should address: (1) in what time frame the parties would like to request the VOSR hearing be held; (2) whether the parties anticipate the Court to entertain a disposition of one or more of the specifications of violation during the hearing; and (3) whether the parties anticipate requesting that the Court impose a sanction at the hearing. Furthermore, if the parties anticipate submissions in connection with any anticipated VOSR hearing, they are directed to propose a briefing schedule.

SO ORDERED.
